

VALLEY REAL LIFE

Basecamp | Week 2

Last Week

Did last week's lesson make you think differently about why you attend church?

Opener

Can people tell what you're devoted to by simply knowing you over time and not by you telling them?

Questions

Have you ever been so consumed with something that nothing else mattered? What was that experience like? How about being so consumed with something that it had a negative effect on your life?

When you see how often the early church met with each other and depended on each other, what goes through your mind when you reflect on all that we do here at VRL and your role?

Heb. 10:24 says "Let us think of ways to motivate one another to acts of love and good works." What can each of us do to make sure this is lived out at VRL? What ideas can your group come up with to put this into practice?

Have you felt a real sense of awe of God working in you or watching Him work in others? How would you describe it? If you haven't, what area in your walk with Christ can you improve your devotion to? What can you do besides attending a VRL service and life group to shine brightly in our community?

Apply SOAP (Scripture, Observation, Application, Prayer) to:

Isaiah 60:4 (NASB)

"Lift up your eyes round about and see; They all gather together, they come to you. Your sons will come from afar, And your daughters will be carried in the arms.

- *Read the verses out loud together*
- *Share your observations*
- *Discuss Application*
- *Close in Prayer*

Next Steps:

What can your life group do to encourage one another to be more devoted to their relationship with God?
